Welcome!

Dear Aerie Sisters and Brothers,

Happy Easter!!!

Thank you to all who supported our St. Patrick's Day Fundraiser that benefitted the Robert Hansen Diabetes Fund. Funds were raised from basket raffles, the daily 50-50, private donations, shamrock hang-ups, and a poker run. We may be a small Aerie but our members go above and beyond to support our events.

Fund raisers this month include Shoes for the Needy (hosted by the Knights of Columbus) on April 7th; and the Jimmy Durante Golf Tournament (Great Outdoors, followed by a Rib Dinner at FOE #3581) on April 20th. More details appear in the newsletter.

Due to the busy April schedule the Auxiliary will not host a dinner. The Aerie steak and rib dinner will still take place. We hope to see you there.

A reminder, we are quickly approaching Aerie and Auxiliary election time. There are several officer positions that will be vacant. If you have not held an officer's position please consider doing so.

Finally, a huge thank you to all my brothers and sisters for the prayers and support you provided for me and my family during Rollin's illness and his passing. He loved the Eagles and was proud to say he was a member. I still cannot wrap my heart and head around what has happened; but there is comfort in knowing I have somewhere to turn if I need a shoulder to cry on or an ear to listen. I am truly blessed.

Thought for the month:

"The clock of life is wound but once. And no man has the power to tell just when the hands will stop, at late or early hour.

To lose one's wealth is sad indeed, to lose one's health is more. To lose one's soul is such a loss, that no man can restore.

The present only is our own, so live, love, toil with a will. Place no faith in "Tomorrow," for the clock may then be still." By: Robert H. Smith

Fraternally,
Madam President,

Our Brothers and Sisters,

Another amazing month has passed. Starting with our picnic, then to Daytona bike week and the Diabetes poker run. Thanks to Chris and Tina for the awesome Picnic. We also had a great fun and game night.

April is going to be awesome with Florida Eagle Riders quarterly meeting in Zephyrhills, a weekend event. Also a poker run with American Legion Post 1 and the traveling wall for veterans escorted ride.

For our Fun Night, the band will be back and we will have bar games and raffles and great food.

Prayers go out to Ron (Sarge) Wescott and family, so sorry for your loss. RIP We thank everyone for being part of our charter. That is very important to our Aerie.

Safe Ride

Howard Spragg, (Trouble) Eagle Riders President (Ph: 321-978-1717)

Brothers and Sisters,

Well here we are in the beginning of Spring. Some of our members will be traveling north for the summer and we wish all of you a safe trip and a wonderful summer. We will be looking forward to your return.

As most of you know, the management of your Aerie is not something to be taken lightly. As with managing your business or home, there are many things to take into consideration. We as members are very fortunate to have folks that are dedicated to our organization and volunteer at no cost their talents and labor for the tasks that make sure we have a viable operation. I cannot express my appreciation enough to these few people that make it happen. Many of our members come to the Aerie to socialize and visit which is a good thing. Without this support we could not continue to provide a comfortable place to do that. Many of our members work but still make time to help those of us who don't make the Aerie a better place to come to.

It is that time of year again to think about the upcoming elections. We need people to step up and become officers and get involved with the Aerie. New ideas, people and plans to improve our Aerie is something that everyone looks forward too. We will be having nominations on the 3rd Tuesday in April and will post the list of positions that we need candidates for. Please step forward, we need you.

We continue to have our daily 50/50 drawings which have been a key to our ability to replace worn out items at the Aerie and complete our remodeling of which there is still much to do. Although all of us are very proud of our accomplishments through the generous help of our members, there are still things to be done. Please support the daily 50/50's when possible, it is greatly appreciated.

The amount of activity and variety is amazing and is credited to all of our organizations stepping up and carrying their share. We appreciate our Auxiliary and Riders for their phenomenal support. Volunteers from all of our organizations come forward regardless of which group has a benefit. It is so refreshing to see our teams working together. Thank you.

Please take the time to look at our fundraising for the past year on the back page. It is a very respectable contribution to our charities. Thank you everyone who supports what we do. We are "People Helping People".
