*Welcome!*

Dear Aerie Sisters and Brothers,

As Madam President of Spaceport Auxiliary #3581, I have good reason to express my heartfelt thanks to the officers, members, and friends of the club. I have learned much and am grateful for the experience. We have accomplished much together in the last year that flew by very quickly.

Together, we hosted 5 outstanding charity events, we made much needed improvements to our Aerie, we grew in membership and we can pat ourselves on the back for being one of the best Aeries when it comes to member support and exemplifying the motto of "People Helping People".

Critical here to our success is the business of the club. We are blessed to have a membership that is here to serve and meet regularly, to make decisions that allow our club to continue to run so effectively. Thanks to all of our officers and members who serve so faithfully and unselfishly.

We had things to celebrate in the last year. Julie Osborne, George Diehl and Cat Simpkins beat cancer. There were new grandbabies born, and first birthdays celebrated. Cat Bond is happily working at retirement. Trouble was named Eagle Rider of the Year. Cat Simkins celebrated completion of 10 years service as Auxiliary Madam Secretary.

Finally, we lost some friends along the way. These members were not only friends, but also Eagle family members. They have all earned a place in our hearts – let us always cherish their memories.

Thank you, officers, members, and friends of the club. Thank you for the opportunity to serve a club that deserves to grow and prosper, and will grow and prosper with your continued participation. Good luck to the incoming officers, I wish you only the best.

My final thought - Learn from your yesterdays, and cherish those memories. Keep in mind yesterday cannot be changed. Look forward to the future, plan to make necessary changes that will benefit all. Remember today is a gift, that's why we call it the present, make the most of it. Be kind to one another. Ask yourself, before you speak, "Is it kind, is it true, is it necessary?"

Fraternally,  
Madam President,  
Anne Wescott

Our Brothers and Sisters, Riders, what an amazing Charter we have. Thank you everyone who was involved with the President's charity run. We (3581) raised over \$1,200 for Florida Cancer charity. Also, what can I say about West Palm run, always a good time. Something we can always be very proud of is that we always have the largest number of Rider members show up at events and rides. We will keep working on plans for rides to capture trophies and charity rides and just for fun rides.

On June 1st we have our first "Sunshine" event fundraiser. Don't miss out, food, games, Raffles, 50/50's, door prizes, DJ and more. Riders meeting is June 3rd at 10 AM; monthly plans and votes, let's start our new year with a full house, Fun night is June 22nd, always a good time.

We welcome and thank our new officers, Dave Jones, Vice President, Cat Bond, Communications officer. Brandy Cook, second road captain. Dennis Lombardo took Chaplain position. Together we can have fun raising money for our charities and show our support to our sister Aeries and Posts; and have a blast doing it.

Safe Ride

Howard Spragg, (Trouble) Eagle Riders President (Ph: 321-978-1717) "RUINATION"

#### **VOLUNTEERS NEEDED**

Your Aerie is looking for volunteers to give a couple of hours as needed to support our food activity on Karaoke and Quarters up Bingo nights. We serve fried foods and pizza for approximately two and a half hours for each of these events. Contact Larry Parks at 321-362-8948 if you are interested in volunteering.

#### **JIMMY DURANTE CHILDREN'S CHARITY GOLF TOURNAMENT**

A special "THANKS" to the great turn-out we had for our Golf Tournament, and our volunteers who were from the Aerie, Auxiliary and Riders. This was a very successful effort due to wonderful support and coordination. Ribs were great and received many comments from the players. Great prizes are a result of Scott and others who were able to get contributions and gifts from local merchants. The threat of weather held out and we were able to finish before the rain. We raised \$3695 for our charity. Nana's House which is a home for abused children will greatly appreciate this gift.

Bob Osborne and Scott Hermanson, co-chairs.

**Brothers and Sisters,**

**Well, here it is. My past six years as the Worthy President of our Aerie has been memorable and I am pleased and humbled that I have had the opportunity to serve in this office. The time has come to move on and get some new blood and ideas for our organization. Time moves on and changes are always welcomed and are healthy for any organization. I am convinced that our new officers will bring new ideas to our Aerie and I wish them well for the future. I am convinced that the support of our many volunteers and past officers will continue and assure our new officers that we are willing to help wherever needed.**

**Over the past several years, I have seen many improvements to our Aerie and I am convinced that these will continue under our new regime. Best of luck to all of us and let us continue to make our Aerie a place for people to be proud to be a member.**

**We have had an excellent year and our membership has grown significantly. Many of our new members are interested in getting involved and helping us improve our Aerie. Our Auxiliary is strong and they are also getting new members involved. Our Riders organization is very active and has become a significant addition to our Aerie. Thanks to everyone's enthusiasm and support, we have been very successful with our fundraising for charities and our improvements to our social quarters. Our combined effort from the Aerie, Auxiliary and Riders has allowed us to contribute in excess of \$14,350 for this past year. This is a significant effort and we should all be proud of it.**

**I will continue to be editor for your Newsletter and lead some of our fundraisers as Past President. I wish Jerry Stultz and his team the best for the upcoming year and have confidence that his team will continue our past successes.**
