WELCOME TO OUR NEW MEMBERS/TRANSFERS:

Vickie Blizzard, Wendy Comstock, Cecil Fain, Patricia Lewis, Chris McCorquodale,

Dear Sisters and Brothers,

OMG !!! I am so proud of Spaceport Aerie and Auxiliary members for stepping up to the call for donations for the Back-to-School Drive. With the donations, cash and coupons that you gave, we were able to supply our local elementary schools with approximately $1,000.00 in much needed supplies including 61 backpacks! This is why I am an Eagle; we are "PEOPLE HELPING PEOPLE". On to the next charity project.

Please remember there will be a Yard Sale on Saturday, 9/12, at 8:00 AM at our Aerie home. All proceeds to benefit the Art Ehrmann Cancer Fund. We will need good, working donations... so please get a move on and clean out those closets. Ladies, do you really think you will ever get back into those clothes that are 3 sizes smaller than you are? It is a good time to get rid of them (just saying). Of course to have a successful sale, it is important to have buyers, too. Please let your friends, relatives, neighbors, co-workers, etc. know about our sale and what it is for. You can help make this a very successful fund raiser.

Upcoming events include a Bingo Marathon in October and Ladies Day Out Luncheon with Basket Bingo in November. More info to come in next month's newsletter.

Please support our Auxiliary projects which include Bingo on Monday nights at 6:00 PM (dinner available, see calendar); Prime Rib Dinner on the 2nd Friday of each month at 6:00 PM; and Meat Shoot on the 4th Sunday of each month at 3:00 PM. Bring a guest so they can experience what the Eagles do. This is a good opportunity to welcome prospective new members. We need your support to stay financially strong to carry on our charitable work. Thanks again.

District 10 Meeting will be at our Aerie home this month on Sunday 9/13, at 1:00 PM. Come out and see what the District is all about. A Pork BBQ (with sides) lunch is served for a nominal fee immediately following. See you there.

Yours in Service, Bernadette Slawson, Madam President

Brothers and Sisters,

It has been my pleasure to meet and greet many visiting members from other Aeries around the country and to visit some other Eagles' Aeries over the past several months. Like our members, they are very friendly and complimentary.

Please note that the "smoking rules" in our dining area have changed. An instance of some of our guests/members who have a low tolerance to smoke and had to leave our dining room on an Auxiliary Dinner has prompted this change. We normally have members and guests that are very accommodating in these situations, but as you know it only takes one instance to change things. Please read and heed the change. Essentially, there will be no smoking in our dining room during the preparation and serving of food. Additionally, I would ask that our members and guests respect the health and rights of others. It is very easy to retire to the bar if you need a smoke.

I am sure we are all looking forward to some cooler weather; unfortunately, we still have a couple of months before it cools off. We are all looking forward to greeting our members and friends from up north.

Our summer business has been slow, as I am sure all other Aeries have been, too. We continue to be able to keep the same hours and hope that you stop in to say hello to friends and bring a guest. It is a great opportunity to show your friends what the Eagles is all about and what we do.

Bob Osborne, Worthy President
