

A few words from your Chaplain

We need everyone at 3581 to start being more tolerant and patient with each other. I am sure you have noticed or heard that over the past few months there has been grumbling, complaining, and a few documented incidents that are so not necessary. Everyone needs to remember that we all belong to one organization, that is Eagles Spaceport 3581, not three individual groups, Aerie, Auxiliary or Eager Riders. Let's start acting like adults and support each other.

Thank You
 Worthy Chaplain
 Dennis Lombardo

Dear Aerie Sisters and Brothers,

A huge thank you to Sharon Meyers for the September's Auxiliary Taco Dinner. As always, the Tacos were excellent. Thank you also to Nancy Scott, Nancy VanDamme, Debra Sandstrom and Phil Meyers who all helped Sharon raise \$270 for the auxiliary.

Please mark your calendar and be sure to attend the Spaceport 3581 Anniversary Dinner and Ceremony on Saturday October 6. Everyone is encouraged to attend. Tickets are on sale from the bartenders for \$10 to cover the cost of the catered Cracker Barrel dinner which consists of roast beef, mashed potatoes, gravy, carrots, green beans, biscuits and dessert. Social hour 5-6pm, dinner 6-7pm followed by the ceremony.

Also, we need you all to support the Art Erdman Cancer Charity which will be held Saturday October 13. As in the past it will be a Bingo Marathon with food for participants, a bake sale and silent auction. Door opens at 11AM and Bingo starts at noon until??? We need you all to support this event as the funds raised help to fight Cancer, a disease that seems to be affecting more and more people closer to our homes. Please see Nancy Scott to see how you can help. She needs articles donated to make the silent auction a success.

I am looking for someone to step up and coordinate the auxiliary dinner for Friday October 12th.

Fraternally,
Madam President,
Georgia Loveland

Brothers and Sisters,

Some members were not able to read the last email concerning our vote on September 4 to determine if our Aerie will be a non-smoking Aerie. I would like to review that email.

The vote was taken with 48 members present. The vote count was 38 for and 10 against.

The next step is to update our By-laws to reflect that we will be a non-smoking facility. This change will be sent to the Grand Aerie for approval. Meanwhile our trustees will put together a committee to make proposals for the changes to our Aerie which will accommodate those who wish to smoke. Once this is done, and the changes are made, a date will be set for our Aerie to become a non-smoking facility.

This process will require several months to be accomplished. Please have patience with us as we work toward the desires of the majority of our members.

I hope those of you that would like to attend our anniversary dinner on October 6th have already purchased tickets or planning to do so quickly so we can determine the number of dinners to prepare. This should be an enjoyable evening and we can brag a little about your efforts in the all of our fund raisers and show off our Aerie.

October has many events and I encourage you to check our white board when you are in the social quarters for those activities.

I look forward to the changes to be made and the return of our "snow birds".

Be well and be cool!
