Dear Aerie Sisters and Brothers,

Hello everyone,
Hope you all had a great Christmas.

The January Auxiliary Dinner will be an Italian Feast. It will be Friday Jan 11. Dennis has agreed to make his Grandfather's spaghetti sauce. We will have spaghetti, salad and desert for \$10. Hope to see you all there.

We will start the new year with the following aux dinners.

- Jan 11th Spaghetti Feast
- Feb 8th Nancy's world-famous Meatloaf
- Mar 8th Corned Beef and Cabbage

Thank you to everyone who participated in the Christmas Angel Tree and Toy for Tots collections.

The Christmas Auxiliary party was successful and we had a great time. Hopefully this year more of you Auxiliary members will volunteer and participate in our activities to help us generate more funds.

As you have noticed the smoking screened room has been installed with electricity and lights. The walkway and ramp to the room is now complete. Therefore, smokers must use the smoke room and not smoke in or near the entrance to the building. Thank You.

Fraternally,
Madam President,
Georgia Lombardo

Our Brothers and Sisters,

Riders, where do I start ? What an amazing year 2018 was. We did so much positive stuff such as :

- Raising money for charities.
- Helping out our Aerie.
- Participating in charity rides and events for us and other Aeries and Post's.
- First to acquire all Florida Eagle Riders trophies .
- First to escort Santa to the tree in our new mall and give candy to the children.
- That's why we are proud of who we are and what we do .

Thank you all for everything you do from volunteering, donating and "participating", that's why we are a top notch charter.

Riders meeting on January 6th. Come and be a part of the idea's and decisions for future events and rides.

Riders Quarterly meeting is at Vero Beach January 13th at 1 PM. KSU TBA.

Fun night is January 25th. This is going to be the start of our 2019 incredible events !!! We will be putting fun trophy rides and poker runs together for each month, so be ready to go .

Brothers and Sisters,

I trust everyone has had a wonderful holiday season and was able to visit with family and friends. It is always a special time to reflect on the emotional wealth that we have with our loved ones and the memories of those who are not with us.

The member appreciation and employees recognition parties were a success. The New Years party was a super way to start the 2019 year.

Special thanks to Dennis and Bob for the walkway to our new smoking shed. (some have called it a she shed, but we all know it is a person shed)

We have not raised the prices in our social quarters for 6 years. Unfortunately, prices of our products have increased. It is necessary, for the coming year, to raise our drink prices by 25 cents to compensate for these increases. I hope everyone understands that the bar has to maintain itself so the reason should be evident for the minor price increase.

Many new events are in the process of planning stages so please check your calendars for the dates.

As always, member input is appreciated and I look forward to hearing from you at our regularly scheduled meeting.

Be Well and Be Cool,

**Jerry Stultz

Brothers and Sisters,

This year is flying by. The first month of the year is already past and the month of February is short. Although the month is short, there is many activities in the month. Please check your updates for the weekly activities and be aware of the white board in our social quarters for events.

Your participation in your Aerie is totally up to you and there is much to be involved in. We would like to have more volunteers for helping in the kitchen, work days and for fund raisers. I realize it is easier for us to ask you directly but it is great if you can volunteer to assist.

Our Eagles riders group have many things planned for this month and you can join even if you do not have a motorcycle.

It is great to see the numbers of guests and members enjoying our rib and steak dinner nights. If you have not made one of the dinners, you are missing a great meal and fellowship.

I hope this month brings joy and especially love for your Valentine!

 Any Day in March & Receive Your
Free Birthday Drink

Brothers and Sisters,

I trust everyone had a great February. Valentines Day is always a time to reflect on those we have and have had in our lives. The benefits that we have this month went very well. Several more are in the planning along with our golf tourney in April. We now go on to March!

It has been said that if March comes in like a lion it will go out like a lamb. Let's hope we have great weather to jump start our spring.

In order for us to provide enough food for our rib and steak nights we request that you call and request the number of dinners you require. There is a more detailed message in this news letter to explain the procedure. I sincerely apologize to anyone that did not get to eat at one of our dinners. We are not a restaurant but want everyone to be able to enjoy the food and company on our dinner nights and still keep our overhead and waste to a minimum. The trustees and officers are working hard to develop a convenient system.

Our membership continues to grow each month and the future looks bright with member ideas and input. Please come to the meetings and express your thoughts on making our Aerie the best in the state.

I hope to see you at the social quarters this month.

Be well and Be cool,

Jerry Stultz

Brothers and Sisters,

Welcome to SPRING! It is a great time of year in our state. Lots of activities that can be outside and air conditioner sounds are welcome. It is also a time of sorrow because our snow birds will be leaving us for their homes in the north. We wish them a safe journey and we will have them in our thoughts and prayers.

The Aerie is in the process of buying a new refrigerator and sink which we have needed for our kitchen. Even though those are somewhat expensive, the purchase has been a long time coming and the time was now since the equipment was not working properly.

Thanks to Anne and her office and the efforts of Bob, Larry and Dennis, plus Brandy's trailer, new ceiling tiles have been collected and are awaiting installation. It may be necessary at some point to close the social quarters for a day to get these installed and I hope we have your patience while this is being done. It will make a huge difference in the appearance of our building and the lingering smoke smell.

Please continue to look at the white board for events and check your newsletter and emails for activities that you may be interested in. Don't forget to sign up for those activities that you like and the golf tourney. The work of the members that volunteer to run these help make our Aerie a very generous contributor to charities.

I wish everyone a very happy Easter and don't forget to say I love you to those that you hold dear to your heart.

Be well and Be cool,

"Thank you Anne Wescott"

A special "thank you" goes out to Anne Wescott for thinking about our Aerie when the company that she works for was about to undertake a remodeling effort making available the ceiling tile, insulation and led lights for our Aerie. This thoughtfulness and Anne's persistence saved the Aerie a lot of money and with the help of volunteers, we were able to obtain this material. Also a big thank you to Florida Insurance Concepts, LLC a part of the Watson Group of Melbourne for their generous donation.

Brothers and Sisters,

I trust all of you had a great Easter and a super April. Lots happened this last month and I am sure you have noticed the new ceiling tiles and lights in the social quarters and the new plumbing in the restrooms which included new toilets and faucets. One of the toilets was donated by a member. Special thanks to the following people that came in to work; Howard, Chris, Mack, Ray, Larry, Bob, Dennis, Jerry, Ted, John S., Dave W., Dave J., Robert, Cowbell, Heidi, and Kathy R. for food for the workers.

The golf tourney was a great success with lots of people complementing our Aerie. Our riders group received Chapter of the Year and the special food nights were great.

We will be pleased to honor the mothers of our club with a free drink and a rose between the hours 1 and 3 on Mother's Day.

We have welcomed numerous new members and they have already made an impact on some of our activities.

Most of the snow birds have left and that also means that our rib and steak dinners will be ending for the summer months. We still have one more of each before taking a break until October.

Hope to see all of you at your club.

Dear Aerie Sisters and Brothers,

This is my final auxiliary newsletter input, as my term of duty ended May 31. I thank all the ladies that stepped up and filled the Auxiliary officer slate for 2019-2020. I truly wish you all an enjoyable, productive and successful year.

A huge thank you to my officers that helped me and supported me this year. It was a learning experience for many of us.

Thank you to all members who participated and especially those that volunteered this past year. Without the small group of officers and volunteers who routinely help, we could not have accomplished the dinners and fundraisers that we did this year.

My hope for the new officers is that you can encourage more of the Auxiliary membership to come to 3581 and participate and volunteer for all the activities, charity fund raisers, and anything else associated with Spaceport 3581.

Always keep in mind, our driving motto, "People Helping People."

Fraternally,
Outgoing Madam President,
Georgia Lombardo

Our Brothers and Sisters,
Riders April's fun day was a great time of golf with 24 riders strong. There were many hole-in-one's and David Keene had the best score. Thank you all who participated. By the time this newsletter is out, we will have had our May 31st fun night with Mexican style fun and games.

June 28th fun night will be hot dogs, hamburgers, corn on the cob, macaroni salad and beans, games and raffles.

June 15th River City Eagle Riders are having a poker run and we are a stop at approximately 1:00. The charity is Paws for Veterans in honor of Ron Hagen. We need our riders to come out and represent 3581. Some of us will continue the ride with them. Information will be posted.

Our officers are in place, thank you to our officers who held there positions and thank you to Robert Richard (Black Sheep) who stepped up to Sergeant of Arms. Also thank you, members who stepped up for Committee chair positions.

We are going to have another amazing year with events at 3581 and on the road. We are putting on the Florida Eagle Riders Quarterly meeting in April of 2020. We are forming committees for this event so please step up, volunteer and bring your ideas to our rider's meetings. We are going to make this the best riders quarterly meeting ever !!!

3581 Riders meeting is June 2nd 10:00 see you there.

We are " FLORIDA EAGLE RIDERS CHARTER OF THE YEAR " 3581 Ruination

If you haven't paid your riders dues, they are due now. You need your up to date rider card for our TROPHY RUNS !!!

Brothers and Sisters,

Summer is here and the warm weather makes it very pleasant to be in our cool social quarters for friendship and libation.

Your new officers have been inducted and are ready to assume office on June 1. Special thanks to those whom have served and to those new officers for their interest in our Aerie.

Although our dinners have been put aside for the summer, Meat shoots are for your enjoyment on the 1st Sunday by the Aerie and the 3rd Sunday for the Auxiliary. Come and participate.

Check the board for announcements and for benefits for Aerie members, both ours and our brother Aeries.

Hope everyone has a great Father's Day and the beach is starting to call our names.

Be well and be cool.
