Dear Aerie Sisters and Brothers,

Happy Labor Day! What a busy August! Everyone is back to school. We received 7 new Auxiliary applications and transfers. Our chicken fried steak dinner sold out in 10 minutes, the entertainment committee had a huge kick off with the spaghetti dinner, and lots of trainings. Spaceport Eagles 3581 is definitely the place to be.!

Thank you, Bernadette Slawson, and your crew, for the delicious dinner of chicken fried steak. It was a huge hit and sold out quick! Our next dinner will be on September 13th and will be pulled pork or pulled chicken with all the fixings. As always, we will have a limited supply of dinners, so we will sell advanced tickets. Be sure and get yours the week before from the bartender for only \$10. The spaghetti dinner was a great success for the entertainment committee. What fun with the music and the fun theme. Everyone had a great time and it was a great kick off for the committee.

The secretaries school that your four officers and auditor went to was very informative and we all learned a lot. There are a number of Auxiliary schools coming up in September and October that we will be attending, and if you are interested in going to learn more about how your auxiliary works, the schools are \$25. See me or Barbara Yeager for more information. We are also offering another food handlers class at the Aerie, the date is to be determined. If you are willing or interested in helping out in the kitchen, see Dave Waldo, the Bar Manager for more information.

This is a great club, with a great group of people. We urge you to bring your friends and neighbors in to see what we have to offer, maybe they would like to join us. We have a lot coming up this fall and are looking to you for more ideas, do you have any? Share them at a meeting or with me.

Have a Fabulous September!

Eagle Riders, Brothers and Sisters,

July's fun night was a major success. Thank you all. We raised \$1000.00 for Prader Willi Syndrome Charity. As many of you know that is close to home and we can't thank you enough.

We had a amazing group of over 30 Eagle 3581 Riders at Miracle City Harley Davidson for calendar pictures. Thank you everyone who came out and "standing in a straight line" !!! And, thanks to Bop and Harris for camera and pictures. The pictures will be on State Eagle Riders calendar. 3581 has the month of July. We are having great fun nights for local charities, please participate in the events. Thank you, Patrice Combs (Honey), for stepping up to chairperson the events. Thank you to all the volunteers and for participating Riders, Aeries, & Auxiliary. August fun night charity was for Parrish Children's Medical Center.

September's fun night charity is Crohn's Colitis Foundation, please come out and have some fun. Remember it's all for charity. Food and game TBA

There are a lot of rides and events coming up so stay up to date on our Facebook site. We are working with Miracle City Harley for events, raffle items and if you buy a motorcycle from them, tell them your from 3581 Eagle Riders, and they will donate to our charity fund.

"Attention"

Please provide some feedback to me on the usefulness of the Newsletter Booster program. The number of folks supporting this program and the benefit received from it brings into question if it is worth the effort. Folks, like myself do not remember to renew. The minimal cost of \$5 per person does provide some benefit to the newsletter production cost. The cost of printing the newsletter is about \$30 per month which is \$360 per year. The booster program nets about one third of the cost. We do not remind people when they are due because we expect that they see their names on the list. Let me know if there is enough interest to continue the "NEWSLETTER BOOSTER" effort.. My e-mail is:

Brothers and Sisters,

I hope everyone with children and grandchildren have made the adjustment to the new school year. Most schools have made many changes and the majority of them are for the good of our kids.

Labor Day celebrations were numerous and hopefully for the awareness of our working force that keep America great.

The Entertainment Committee has been working hard to come up with new ideas for your enjoyment. Any ideas will be appreciated.

The dinners that the Auxiliary and Entertainment committee provided have been a success, and it is great to see the kitchen take on a new look. Special thanks to Mack and Cindi for their donation of cabinets and counter tops. Also to Kathy Ratz and Cindi for their work in the reorganization of the kitchen. Chris and Robert have been super in there also. The work party did a great job and thanks to those that were there.

The Anniversary Dinner is October 5th and plans are under way. Try to attend if possible.

Special thanks to all who took the food handlers course. We try to bring the best in food service for our donation dinners.

I hope everyone is still high and dry from all the rain that we have had. Keep the boats handy!

As always, a special thanks to our Trustees for their work and concern for our Aerie.

Best wishes for a great start of the Fall season.
