"Thank You"

Just a big thank you to our team of volunteers who worked so hard on our Annual Member Christmas Party. The presentation and the food was awesome. The large turnout and the great time that we all had just goes to show how much your effort was appreciated. Thank you Brandy, Wanda, Debbie and of course Santa (Ray). Also, thanks to everyone who helped put it together.

Brothers and Sisters,

I would like to thank everyone that came to this year's Christmas party, especially all the people that worked hard to put it together like Brandy Cook, Debbie Sandstron, and Wanda Michaels. It was great having Santa join us too.

We still need help in the kitchen so if you have already been to the food safety course please get with Dennis Lombardo to get on the schedule. The more people we have on the schedule the less everyone has to work. If you need the class we can get that too and if you need to know how to do something in the kitchen just let someone know. We have to have volunteers to keep it running.

Officer elections are just around the corner so if you are interested in running talk to one of the current officers about mentoring with them.

Trivia night has become a big hit so if you haven't had a chance to catch it, make sure you plan for the next one, because they are a lot of fun. We won't be doing Karaoke anymore and we are looking at alternative forms of entertainment like having small bands or possibly game nights. If you have suggestions, keep in mind we may need you to sponsor the event and forms are located in the hallway.

Hope you have a fun and safe Holliday!
