WELCOME NEW & RE-ENROLLED MEMBERS

Georgia Loveland, Michelle Rine, Brenda Ryder, Marion Wotton, Darrell
 McCall and Ronald Thompson

Greetings Sisters and Brothers,

Another year is upon us and I would like to thank the ladies who stepped up to take officer positions and rescued us from losing our charter. I am looking forward to working with you. It's great to see some of our new members join us. Volunteerism is so gratifying and it is a great way to meet new people and learn what the Eagles is truly about.

A big thanks, also, to past officers and members for such a great year. Jointly with the Aerie, we raised over \$10,000.00 for our national and local charities. WAY TO GO 3581!

We are also in desperate need of volunteers to help in the kitchen on the 2nd Friday of each month with our dinners. 100% of all proceeds go to our Charity Fund. Anything you can do (cook, bake, serve, wash dishes, cashier) would be very helpful and greatly appreciated.

The Auxiliary would like to extend an invitation to all Aerie members to stop by on Father's Day, June 19th, between 1 and 4 PM and enjoy an adult beverage on us as a thank you for all that you do.

Stop by and have some social refreshment; have a great and safe summer!

Yours in service.

Fraternally,
Bernadette Slawson
Madam President

"ATTENTION"

The newsletter is a compilation of inputs from those that sponsor or have an interest in any of the activities at the Aerie. It can only be accurate if correct and timely inputs are provided to the editor. This product takes some time to put together, so please get your newsletter contributions to me by the 15th of each month. I will do everything to incorporate late submittals.

Bob Osborne, Worthy President

"VOLUNTEERS NEEDED"

Your Aerie and Auxiliary are looking for help with areas like cooking and serving food for our weekly events. Also, we're looking for Aerie members to serve on special committees. We would like to take some pressure off of the folks that volunteer several times a week. Vacations are upon us and we will try to work out a schedule to accommodate all, but still keep our commitments on our calendar for food.

New committees need to be named the first week in June for the upcoming year. New members are encouraged to step up and participate. If you have an interest in any of these areas, please feel free to talk to any office or call us.

WP Bob Osborne (321) 794-8753 and MP Bernadette Slawson (239) 938-4105

"THANK YOU"

It is not always said, but I know it exists; many of our people contribute their time and effort on a regular basis, so it sometimes seems to be expected. However, I can assure you that your efforts are not forgotten. You know who you are,, so I will not name everyone, because inevitably someone would be missed. Among the things I am talking about are; bar preparation for the bartenders (this doesn't happen every day, but I am sure they appreciate it when it occurs); cleanup on days that we don't have janitorial service; set-up of the dining room prior to events; grounds maintenance; tree trimming; garbage cleanup; and general maintenance. When these things are noticed, I am sure there is a "thank you", but if not, be assured they are appreciated. Sometimes we get too busy with the daily stuff and forget.

Brothers and Sisters,

Installation is complete and it is time to start our new year. Welcome to our new and repeat officers. I am looking forward to a good year. Last year was great and I believe we can make this year even better.

We are doing well with our new member goals and we plan on pushing for new members by doing more advertising to the public. Please join with me and help us achieve our goal of increased membership and participation. I believe we have potential for getting more of our members involved with volunteering to cook and help with our activities, they just need to be asked.

You may have noticed that we have replaced some of our older tables and chairs in the dining room. Thanks to Denny's and the alertness of one of our members, we were able to get them. Thanks, Nancy Scott. Also thank you Larry Parks and Dennis Lombardo for helping on short notice to pick up the furniture.

We have a few upgrades in mind for our Aerie this year. Hopefully we can replace the floor in the social quarters and upgrade our bar. We will accomplish this as we can afford to do so.

Thank you for the volunteers for the work on our Chicken BBQ, fantastic. Also thank those who attended the BBQ and Installation.

I am excited about all that we have done and look forward to more, working with our great members and officers again this year. Enthusiasm is high and our team is ready to get started.
