Welcome!

Dear Aerie Sisters and Brothers,

This newsletter is all about thank you.

THANK-YOU to all who supported our Jimmy Durante Golf Tournament. A good round of golf was followed by a Rib Lunch with all the trimmings and an award and prize ceremony. A huge THANK-YOU to Bob and Julie Osborne and all the volunteers that help make this a huge success. The final tally is not known at the time of this writing because donations continue to come in.

This month's dinner will be announced by email. The full menu will be posted in the Aerie and on the Auxiliary Facebook Page. Please continue to support our Aerie dinners and functions. Our members work hard to provide quality food and fun. THANK-YOU to our cooks and servers. Our volunteers rock!!!

The Jimmy Durante Golf Tournament marks the end of our charity events for the 2017-2018 year. I want to extend my sincerest THANK-YOU to all who give so generously year-after-year. We may be a small Aerie, but we go above and beyond when it comes to embracing and exemplifying our motto of "People Helping People".

THANK-YOU to all of our newly elected officers for stepping up to the plate. Being an officer means devoting lots of time, sacrificing otherwise free-time, and mustering lots of PATIENCE. My hat is off to you.

PLEASE keep our sick and suffering members in your thoughts and prayers. It helps those in need when things get tough.

And one last comment – Social Media is powerful thing. For the most part it is a good thing. Remember it is also like a two-sided coin. On the heads side, it allows us to stay connected with the WHOLE WORLD. We can share interests and good news; deliver kind words, and support our friends and families in times of need. But the other side of the coin – the tails side - Social Media can be an instrument of hatred and vengeance, a vessel of vanity and a forum of insecurity and misinformation. Remember Social Media is world-wide. It should never be used to get even or air dirty laundry. What happens in our Aerie needs to stay in our Aerie. Before you post something on Social Media consider first two thoughts 1) is it kind, true and necessary? 2) If I cannot speak well of an Eagle, I will not speak ill of an Eagle.

Thought for the month:

The strong bond of friendship is not always a balanced equation; friendship is not always about giving and taking in equal shares. Instead, friendship is grounded in feeling that you know exactly who will be there for you when you need something no matter what or when. (Simon Sinek)

Fraternally,
Madam President,
Anne Wescott

Our Brothers and Sisters,

April was a busy month, we put some great rides together. This month we have one of the biggest rides of the year. May 4th, 5th and 6th is the President's Ride. Please come out and show your support one, two or all three days. We also have a ride to West Palm for their charity event (sleep over) also will be acquiring some trophies, so get ready.

For fun night, we have the band Gypsy Rain, great music.

What a great turn-out we had for Sarge, thank you all. Sarge will be deeply missed but will always be with us. We have elections of officers coming up. We have new members joining every month.

Don't forget your dues please. We are a tight charter that raises money for charities and our Aeries. We have fun and an amazing time doing it.

Brothers and Sisters,

Well, here we are at the end of another very successful year at Spaceport Aerie 3581. I can only thank you for a very interesting year. Our charities and other events have been top notch with the help of so many of you. As you know, only with your help can this be done. Thank all of you, Aerie, Auxiliary and Riders for helping me make this one of our best years.

I would like to thank some of our new members for coming to our Aerie meetings and also like to thank those that stepped up to become officers of our Aerie. Thank you and we all look forward to working with you and getting some new ideas.

It has been my pleasure to represent our Aerie as Worthy President for the past six years. It is time to move on and turn over the reigns to someone else. I will be Spaceport's Past Worthy and will serve with pride and look forward to working with our new group of officers. As always I wish them the best in their new positions and have all of the confidence in the world that they will do great. I will remain available for any help that I may provide to them and try to answer any questions they have. I will continue to work with the charities and publish the newsletter until such time as someone is willing to take over those tasks. Over the past six years, I have enjoyed working with each and everyone of our Aerie, Auxiliary and Rider members and hope that I have met the expectations of this position.

We are again approaching the summer season where families have vacations and traveling plans, so we are cancelling our Friday dinners with the exception of special dinners or events which will be published in our newsletter and/or on the web. Typically, our support for Friday dinners drops significantly and it is not profitable to continue. We will resume the dinners in October unless announced earlier. Thank all of you for your support for these dinners, it has been greatly appreciated.

We had a great turnout for our Annual Jimmy Durante Golf Tournament. It was wonderful having so many volunteers participate in this charity fundraiser and I thank you. We had Auxiliary, Aerie and Rider members volunteering in every aspect. A special thank you to all of our sponsors who were so generous and provided the prizes for the golfers. A special thank you to all of the golfers who participated. Of course I could not have done it without my co-chair Scott Hermanson, Thank you.

Bob Osborne, Worthy President
