Brothers and Sisters,

We are still working on our parking lot light poles. By the time you read this, the lights should be installed and working. Kenny Upthegrove, his guys and our volunteers did an excellent job of setting the concrete poles. Thanks to all of you who participated.

It has been a great year for the Aerie, membership has grown significantly and we welcome all of our new members. We all look forward to continued growth and support for our charities. We will be making our charity commitments during the month of June and as always are looking for chairpersons to carry on our tradition and lead the effort.

I want to welcome our new President Ray Cook and look forward to his leadership for the upcoming year. Our officers are the members that make things happen.

We will not be having our Aerie dinners through the summer months due to reduced support with Summer vacations and travel. Our volunteers need a break. The Auxiliary will continue with their dinners and we ask that you support them. The calendar publishes their menu.

Just a couple of reminders for our members. All guests must be signed in and the member signing them in must stay with them while they are there. Per our Florida Liquor license, no beverages may be brought into the Aerie. Beverages must be purchased on site. We ask that our members be cautious with their language at the bar as we have many ladies and we would like them to feel comfortable in our club while socializing with friends. Our Aerie has always been a place where ladies can come and feel safe with or without their spouse or significant other and we would like to keep it that way.

“Ability is what you are capable of doing, Motivation determines what you do, Attitude determines how well you do it.”

It has been my pleasure to serve as your president and I have appreciated all of your support through the years that I have served. Thank you all.
