Eagle Riders, Brothers and Sisters,

Hope everyone had a great Easter and got some family time in.

Congratulations to the 2022-2023 Rider Officers. The last few years have been challenging with the virus but this year will be better.

Thanks to everyone that came out to our Annual Mike "Moondawg" bowling night. Always a good time and for a good cause.

We are cancelling the May fun night. With the Memorial Day weekend during our event time we feel it's the best choice.

June 18th we are planning a daytime scavenger ride. If it rains we will take cars. Of course you can always take a car. We will plan a lunch stop and a lot of fun. More details will follow.

Now that the trophy's have been reset we will be working on a run to start the capture!!!!!!!
Please follow the 3581 rider page for updates on this and all events.

We are getting into the rainy season so be sure to watch the weather when your out riding.

Stay safe, be healthy

Brothers and Sisters,

We are still working our parking lot light pole issue. We may install some temporary lighting unless we can complete the pole installation in a timely manner. We are asking that you use extreme caution when leaving the Aerie after dark.

It is that time of the year again and our elected officers assume their positions on June 1st. I encourage you to get involved with your Aerie. We always need some new thoughts and ideas. An election will not be required as most positions are filled. If you are interested in getting involved, speak to any Aerie officer as appointments may be necessary.

We are having a Mother's Day Breakfast this year and would like to see a good turnout for this breakfast. Mothers and children under 12 will eat free and the other guests are asked to donate \$5 to defer the cost. Hope to see you there on May 8th at 10 AM. As usual, our Friday Aerie dinners will be suspended for the summer months.

Bingo players, ones and quarters are in short supply so please consider bringing your ones and quarters with you.

We have had a great year with many new members and the support of our charities has been significant. Thanks to all of the chairpersons and volunteers that made it happen. We are looking forward to another great year with the upcoming leadership of our new and repeat officers. It has been my pleasure to work with everyone and have the cooperation of all. I will continue to be an active officer and member of our Aerie and look forward to the upcoming year.

The updates to our Aerie may not go as fast as we would like, due to the fact that we try to get the most done with the least cost. So bear with us as we continue to make an effort to make the Aerie better.

"Think before you speak; Is it necessary? Is it true? Will it hurt anyone? Is it kind?"

That is a thought that every Eagle should ask themselves.

Also, as stated in last month's newsletter, "You do not need to approve everything that a brother may do, but if you feel there is reason for censure, go to that person himself, do not expose his failing to the curiosity and contempt of others."
