

Ed Upthegrove's 90th Birthday Celebration
July 17th 5 PM til ??

The family of Ed Upthegrove (Sugar) is planning a friends and family celebration of Sugar's 90th birthday.

Ed has been very involved over the past 44 years as an active member of this Aerie. His support of this organization has been valuable and recognized over the years.

As a tribute to Ed and with many members of his family, the Aerie has been invited to join in on an evening of fun and celebration. Music will be provided. A steak dinner will be served at 6 PM to the family and a limited number of members. Due to our limited seating, the dinner is being offered to the first 50 members/guests for \$14 and tickets must be purchased in advance.

If you are unable to get a ticket, you may still join in on the celebration which will go on into the evening.

Event coordinator: Bob Osborne

Brothers and Sisters,

In the past couple of weeks, I have had the opportunity to see quite a few of our members that I haven't seen in a long time. Welcome back to the Aerie, we are happy to have you.

It is the time of year that we can expect our daily afternoon showers. Our spring has been dry and I am sure we are all ready for some rain. It is also time to prepare for the Hurricane season if you have not already done that. Check that generator and stock up on batteries, water and enough gasoline to get you through a couple of days.

The events that we have had have been very successful especially considering that the Covid situation has been a big impact to everyone. Thanks to all of you for your support. Our Auxiliary has been having great meals and have been selling out. We will be continuing our Aerie dinners in the fall.

We have had some luck with a few new volunteers stepping forward to help in the kitchen and serving. Thank you for that , however we still could use more.

Our daily hours have been extended to 9 PM Sunday thru Thursday, 10 PM Friday and Saturday. As usual, if we are busy and at the bartenders discretion, we may stay open longer.

A few of us attended the State Convention and as always, our Spaceport Aerie had been one of the major charity contributors. I am supposed to get the figures for all Aeries and will share them on the bulletin board at the Eagles when I do. We were the number one Aerie for the State of Florida on 4 of the charities, 2nd on 4, 3rd on 2 and 4th on 2. This can only happen when we have the support of our members and guests. Thanks to everyone that participates.

We must all remember that our Aerie is all about charity but our bar is a business. The prices at the bar are based on cost and a small profit which keeps our prices fair and reasonable. In order to do that we cannot be double pouring our drinks, so please don't expect that. If we were to do that, we would have to raise prices and we are trying to avoid that.

Grudges are a waste of perfect happiness. Laugh when you can, apologize when you should, and let go of the past and what you can't change. That would make everyone happy and could change your life for the future. Remember life is short, so make the most of it.

Dear Aerie Sisters and Brothers,

Hi it's me again, your faithful Md President Sharon Smith.

If you have not been to a meeting in a couple of months or more try and make it at least once this year.

The dinner for July is Baked Ham, Au Gratin potatoes, veggies and dessert.

We will not be playing Go for the Gold July 4th but will be playing July 18th and July 25th.

See you @ the Eagles.

Till next month, be safe and be well.

Eagle Riders, Brothers and Sisters,

As we kick off the new year we would like to thank everyone that re-enrolled as Eagle riders ! New membership is always greatly welcomed.

Our river boat cruise was a great success. Next time we're hoping to have more participation because this is a great time for everyone to bond and get together.

We are looking forward to our July fun night while we were doing LCR, it's going to be a huge event, and we're hoping to bring a lot of business to our club. This has a buy in of \$5 and then \$.75 per game. Super Exciting time. Spread the word so we can make this HUGE!

Please be sure to make the monthly meeting to help plan future events.

Brothers and Sisters,

It is always good to see folks that I haven't seen since the Covid started. Welcome back. Our weekly activities such as Darts, Euchre and Shuffleboard lack the support that we have had in the past, but hopefully that will improve as folks get more comfortable with returning to a social environment.

We are hopeful that we can offer our Friday Aerie dinners in the fall. Our Auxiliary continues to have their monthly dinner with a fair turnout.

It is my hope that the Covid Delta variant is a non-player in our activity at the Aerie. The fact that Florida is the second highest state to have so many of these cases is a concern. I urge our membership to get vaccinated. The science and statistics support this. Even though it is possible to contract this virus even if you have been vaccinated, there have been no significant cases or deaths of those that have been vaccinated. For those that have not been vaccinated, it has been significant and sometimes fatal. I recommend face coverings be worn by members who have not been vaccinated.

I would like to extend my appreciation to the magnificent team of volunteers that helped with the fantastic celebration of Ed (Sugar) Upthegrove's 90th birthday. Ed has been a staunch supporter and member of the Eagles for over 44 years. A fantastic success and a great turnout. Thank you.

As always any suggestions of activity at the Aerie that would boost support and interest would be greatly appreciated. Just remember that anything we do would require support and volunteers. Sustaining these efforts is depending on interest and support.

Enjoy the little things in life for someday you will look back and realize that they were the big things.

Dear Aerie Sisters and Brothers,

Hope you all had a great 4th of July. The year sure is going by fast. Next thing I know it's going to be Christmas.

August dinner, Friday the 13th, will be Southern Pork Chops, greens, fried potatoes, corn bread and dessert.

Go For The Gold will be played August 1st, 15th and 22nd.

A great time was enjoyed by all @ Ed (SUGAR) Upthegrove's 90th Birthday.

Thank you to Wyatt and Mary for their donation. The Ham dinner was a sell out. Thank you again.

Don't forget meetings are on the 2nd and 4th Tuesday of each month @6:30. We are going to start on suggested bylaws changes.

Till next month, be safe and be well.

Eagle Riders, Brothers and Sisters,

Due to the unfortunate uptick with Covid we had to cancel the LCR night. The health of our members is most important. This event will be rescheduled for sometime in the future.

Our next charity event will be on August 28th. This will be a Poker Run with proceeds going to the Women's Center here in Titusville. This is a very important charity to help both Women and children of abuse. You do not need to ride a motorcycle to attend. The poker run can be done by 2-3-4 or 16 wheels. If you can not attend you can still buy a poker hand to help the charity. We will also have a bottle basket raffle. Time and stops will be announced at a later date so that the Road Captain can set up a safe ride. Hope to see a huge turn out for this Charity.

Please remember our Rider meetings are the first Sunday of the month at 10:00 am. The more that attend the better we can make our events huge events. If you know anyone wanting to join the Riders, there are applications in the hallway. If they have any questions they can contact Dave Jones, President or Cindi Grenet, Vice Pres.

Brothers and Sisters,

It is a very challenging and interesting time as we go through a resurgence of the Covid variant and the increase in numbers. Our Eagle brothers and sisters have been very fortunate in that our members and friends have been totally transparent as they go through these challenges. As far as I can tell, any member or acquaintance that tested positive has come forward and informed us. This allows us to inform those who have been in contact and in every case I am aware of they have stayed away from the club until they tested negative. The lesson I see from this is that there is a good case for the effectiveness of the vaccination. Those that have not been vaccinated have become seriously ill in most cases and those that have been vaccinated that tested positive for Covid have mild symptoms. Those that have been very ill have not been vaccinated. Everyone is certainly entitled to their own opinions and beliefs but do your friends a favor and if you elect to not be vaccinated, social distance or wear a mask.

As you can imagine, this has affected our business in a big way. We are and will continue to hang in there hoping that this gets under control and we can again make enough money to pay our bills. Right now we are operating at a loss but hesitate to change our hours or days of operation. We urge you to come by and support the club, but if you are ill or uncomfortable in that environment feel free to stay away. Obviously, with the current situation we cannot restart our Friday dinners until we are comfortable that we can get the support needed for them.

A big thank you to Jerry Stultz and one of our new members Mark MacKenzie for your work on our flagpole.

Remember: It's nice to be important but it's important to be nice.

Dear Aerie Sisters and Brothers,

Tipping is not a sin. When you go to a restaurant you tip don't you? The workers are all volunteers.

September 10th dinner is Baked Ziti, salad, bread and dessert. The Eagle Riders are cooking. Thank you.

Just a reminder our Joint Anniversary is October 2nd. October 9th is the Cancer Fund Bingo Marathon with Nancy Scott. Bake sale, silent auction and more. Doors open @12.00 noon.

Go for the Gold for September is 5th, 19th, and 26th. Till next month, be safe and be well.

Eagle Riders, Brothers and Sisters,

Due to the ongoing Covid uptick, we canceled the Poker run that was scheduled for August 28th. For the health of our riders, as well as members of other clubs, we felt this was just not a reasonable time. We will reschedule in the future.

Sept 10th the Eagle Riders are helping our Auxiliary out with their dinner. We will be shopping for the food, preparing, serving, selling tickets, as well as cleaning up for them to show our support. We will serving Baked Ziti, salad, garlic bread and dessert. We will need volunteers to make this run smooth. Please call or text Cindi aka Twisted to sign up ASAP. 321-427-0374. Please come out and support the Auxiliary for this delicious meal! Thanks in advance for your help and support.

Our next meeting is October 3rd. We need a big showing so that we can regroup and reschedule our cancelled events.

Brothers and Sisters,

Unfortunately, our Nation continues to combat the Covid Variant pandemic with no immediate relief in sight. Participation in all Fraternal Organizations suffer, as a result of much uncertainty. All of us understand that and continue to wish for a break from the increase of positive cases, illness and even death from this.

We wish the best for you and your family as we too see instances of impact from this virus. In some instances, the effects can be long lasting, so do what you need to do to keep everyone you care about safe.

Our first major Charity event is now scheduled for October 9th. Cancer Bingo Marathon. Please come out and support it.

Our activities at your Aerie continue to be limited as it seems to be the appropriate path for us at this point. We continue to get great support for our Auxiliary Dinners, Quarters up Bingo, and Karaoke. We will continue to monitor circumstances and begin increasing events as soon as possible.

Many things are a part of the reasoning for this. Because of our decreased ordering from our food vendor, they have decided to drop us as a customer, so we are forced to seek product elsewhere. We understand that they have a reduced staff, etc. but that doesn't help us. This is a great opportunity for smaller suppliers to get more business.

Our Aerie would like to thank Ed Upthegrove for a very substantial donation to our organization. Your thoughtfulness and generosity will not be forgotten.

Eagle Riders, Brothers and Sisters,

As we enter the month of October, we're hoping that the weather will cool down a little bit so that we can plan some rides. Hopefully the downtick of Covid will stay that way and we won't have to cancel or postpone any more of our events.

Thank you to everybody who helped out and/or showed up for the Auxiliary Baked Ziti dinner. It was a huge success and a great joint venture.

Our LCR game was a lot of fun for our charity. Hope we can do this again and have more people come out to play. Our next event is October 16th. We are having an Octoberfest menu and will be playing trivia. Please support your Club and Riders by coming out to participate.

Please take the time to attend the Rider meeting to help plan our Charity work and events. The next meeting is October 3rd.

Brothers and Sisters,

What an enjoyable month of October we had. We had an excellent Anniversary Party with quite a few Florida State Officers. It was a great opportunity to get to know our state officers better. We had a great meal and would like to thank all of those volunteers for the preparation of the appetizers and meal. It was great to recognize some of our members who put forth that extra effort to make them special. We had a great visit from Nana's house, and she was able to explain their operation and progress with us. All of our charity beneficiaries really appreciate our efforts and what we do.

As we remember our veterans and active military, lets join Post 1 in honoring them at the 10 AM service to be held at Veteran's Memorial Park on November 11th. Everyone is invited to join in a luncheon at Post 1 Pavilion at 11:30 AM following the ceremony. Any side dish contributions will be welcome.

Activity at the Aerie continues to improve and it is good to see many of our members returning. We have been getting new members, many of which are enthusiastic for the Aerie. Feel free to introduce yourself if you see someone that you don't recognize as a member, perhaps they are new.

Just a reminder, if you bring a guest into the Aerie for any of our activities, please sign them in. It is a requirement for Fraternal organizations by ATF. Best thing to do is to get them to join.

We are having a work party on Saturday November 13th at 9 AM and Decorating the Aerie for Christmas on Saturday November 27th at 10 AM.

Please keep our Secretaries, up to date if you have any changes to your address or email so you are sure to get any change information to our events or schedule.

We are having an Aerie Christmas Party on Saturday December 11th. We are also having a Children's Christmas party on Sunday December 12th.

Dear Aerie Sisters and Brothers,

October sure was a busy month. Anniversary Party was a good time by all. Auxiliary's Oktoberfest dinner went well, then the next day was the Cancer Fund Bingo Marathon. This turnout was the best we have had in a long time. Great job Nancy and her helpers. The Eagle Riders also did an Oktoberfest Dinner, and after dinner, Trivia was played. November's Auxiliary's dinner is Country Fried Steak, potatoes, vegetables, roll and dessert. Children's Christmas Party is December 12th from 12 to 2. Sign up sheet will be ready the first of November.

BY-LAW CHANGES

The first reading for the by-laws changes December 14th.

The second reading is December 28th.

Third and final reading and voting will be January 11th, 2022 .

Till next month, be safe and be well.

Eagle Riders, Brothers and Sisters,

Last month was a huge success for our charities. We rode out to the Fur Ever Home Animal rescue and gave them a check for over \$500.00. They were extremely friendly and appreciative.

Our Oktoberfest fun night was outstanding. The meal was fantastic. Thank you Kathy Ratz and Ted Ratz for the yummy food. We raised 600.00 and with the 250.00 the riders approved to add to it that gave us \$850.00. It was a great ride for the first annual Moondawg Poker Run. We donated the \$850.00 in Mike "Moondawg" Moon's Name and Honor to the Biker Down Organization. A few of us did hit Palm Bay up to Capture 3 trophy's!! This is always a fun time and great way to show support to other Aeries.

Due to the Thanksgiving Holiday we will not be having a Fun Night in the Month of November. That does not mean that we can't get together and ride. Watch the Rider page and your text messages for any updates. Ride safe and have a Happy Thanksgiving.

Brothers and Sisters,

This is the time of year that we all get together with our family and loved ones to celebrate the Holidays. We wish all of you the very best for this festive time of the year and hope that you have a very Merry Christmas and a Happy New Year.

Our month of December is a very busy month and we look forward to the many activities planned. As you can see, we are planning both a member and children's Christmas Party and hope that many of you will plan on attending. There is a signup sheet on the wall near the Calendar, so please put the names of your children or grandchildren that are planning on attending.

We had a very successful work party on November 13th and I want to thank all of those who came and helped do the many maintenance tasks here at the Aerie. As we gain new members, we are lucky to get members that have skills that are very useful for this effort.

You may notice new faces in our social quarters. Feel free to introduce yourself to our new members. We are getting quite a few new members and would like to welcome them to our Aerie.

All of us at the Aerie, Auxiliary and Riders are proud to have a social quarters that is a great place to come out and have a social beverage with your brothers, sisters and friends. We pride ourselves in having a safe environment for our customers. We encourage proper language and dress such that no one will be offended or embarrassed. Help us to keep it that way.

We are planning on starting our Aerie dinners again at the beginning of the new year. The key to doing this is the amount of support that we get. Volunteers are the key to the effort that is required to provide these meals.

Eagle Riders, Brothers and Sisters,

The 3581 Riders would like to wish our Aerie and Auxiliary a Merry Christmas and hopefully a better 2022. Due to the Holiday season we will not be having a fun night in December. We will resume in January.

Weather is getting really nice and there will be a lot of bikes on the road. Please watch out for them.
